South Beach

1 and 2 room luxury apartments

The "South Beach" summer holiday village is situated close to the town of Tsarevo on the south eastern Black Sea coastline of Bulgaria.

The Cherna River, which forms a beautiful sea lagoon flows into the Black Sea some 100 metres northwest of the complex. The many small and romantic Black Sea bays, the wooded hills of the Strandja Mountain and the river coexist here in unique harmony.

Visitors will inevitably feel a gentle puff of breeze, the scent of the sea and the cool freshness of the mountain. These marvellous conditions make the region one of the most beautiful and preferred locations.

General description of apartments:

The complex contains three blocks, each having a mixture of 1 and 2 room apartments on 5 residential floors and an attic apartment floor. The use of high quality materials throughout will create a sense of luxury and coziness.

Each apartment will consist of an entrance hall, living room/bedroom, kitchen/dining area, bathroom/WC and balcony, cable TV, telephone, internet connection and security system.
